## ◇ **COVID-19 Safety Response** ◇

*Safety is our greatest concern. Legacy is ensuring photos can be taken in a safe environment, by implementing these policies:*

- ***Social Distancing of 6ft or more***
- ***No-Contact photography process***
- ***Masks worn by photographers and staff***

All students should have a parent or close friend accompany them to their sitting. Legacy photographers will maintain a 6ft social distance from students at all times. Having a parent or close friend there will assist the student with looking their best and help with portrait clothing.

## Choose Your Experience

**Traditional** sittings include your standard yearbook pose and additional outfits of your choice. They are taken either at your school or in our studio.

## Schedule Your Sitting

Use the calendar below to book your traditional sitting appointment.

## Select Your Outfit

**Gentlemen:** Yearbook dress requires you to wear a DRESS SHIRT, COAT AND TIE. If you need any of these clothing items, the studio will provide them. For best results, we recommend long, dark pants for the Cap and Gown portion of the Platinum Sitting. You may wish to also bring a different shirt and/or tie for the additional clothing change within the Bronze and Platinum Sittings.

**Ladies:** Yearbook dress requires you to wear a SWEATER OR BLOUSE. NO BARE ARMS OR SHOULDERS, no sleeveless, no strapless, no spaghetti straps. You may wish to bring a different sweater, blouse or pretty dress for the additional clothing change within the Bronze and Platinum Sittings.

## Smile!
